#### Part F: Statement of purpose

State your aspirations, interests, academic experience, talents, as well as brief reasons why you are applying to Thailand Scholarships. Discuss your motivations to study in Thailand, your professional interests and your career goals and expectations. The statement shall not exceed a page of A4.

#### Part G: Research proposal (optional)

Optimally, please demonstrate the need to study and what you are planning to do via the draft research proposal. There is no central format, but the proposal should include title, introduction, research questions, literature review, methodology, timeline, as well as bibliography. The proposal shall not exceed 3 pages of A4.

#### Part H: Course options

Please indicate your preference for Thai higher education institutions and fields of study in order of prioritisation.

Level of study:  Master's degree  Doctoral degree

Preferred Choice	Name of Institution	Field of Study
First choice		
Second choice		

#### Important

I declare and certify that the information provided in this application is accurate to the best of my knowledge and agree to inform immediately the committees about any changes and amendments. Furthermore I agree, if registering as a student, to respect the curriculum regulations of the host university. I accept responsibility for the completeness of my application.

I hereby authorize the committees to treat the data provided to the purpose of the student selection for the Thailand Scholarships.

Finally I understand that if I am admitted to the master's or doctoral program and fail to register in person at the entrance university before the dates stipulated in the admission letters, I am no longer entitled to my place in the programme and forfeit my place.
